Volunteer in Public Schools (VIPS)

McCREARY COUNTY SCHOOL DISTRICT

WELCOME

Dear Volunteer,

Thank you for your interest in serving as a Volunteer in Public Schools (VIPS) volunteer with the McCreary County School District!

Our volunteers are an essential part of our school community. By giving your time, talents, and caring heart, you help support our students, encourage learning, and make our schools stronger places to grow and succeed. Whether you are working in classrooms, assisting with school events, supporting staff, or sharing your skills in other ways, your contribution makes a meaningful difference every day.

We truly appreciate your willingness to invest in the lives of our students and staff. Your service helps build a positive, supportive environment where every child can thrive.

The safety and well-being of our students is our highest priority. Therefore, all volunteers are required to complete the application and screening process outlined in this packet before volunteering in our schools.

The following pages include important instructions to guide you through the volunteer process, followed by the Volunteer in Public Schools (VIPS) application and required agreements.

Thank you for partnering with us to support the students of the McCreary County School District.

We look forward to welcoming you as a member of our VIPS family!
